

SUHAS MOTAGI

Database Developer

+91 8550038763 | motagisuhas@gmail.com | in [suhas-motagi](#) | [Portfolio](#)

OBJECTIVE

As a dedicated Database Developer with a Master's in Computer Applications, I specialize in designing, managing, and optimizing databases. Proficient in PostgreSQL, PL/SQL, and SQL, I focus on efficient data handling and improving query performance. Passionate about continuous learning, I contribute effectively to software development projects and thrive in collaborative team environments.

EDUCATION

Course	College / University	Year	CGPA / %
MCA	Nitte Meenakshi Institute Of Technology Bengaluru	2024	8.13 CGPA
BCA	SB Arts And KCP Science College Vijayapura	2022	74.72
Class XII	PDJ PU College Vijayapura	2019	76.66
Class X	PDJ High School Vijayapura	2017	80.32

PROJECT

- **VENDOR-BRIDGE: AN INTEGRATED HIRING PORTAL**
 - * **Role:** Backend Developer (Database)
 - * **Duration:** May 2024 - August 2024.
 - * **Technologies Used:** : PostgreSQL, SQL, PL/SQL.
 - Used PostgreSQL for schema design to structure and organize vendor-related data.
 - Utilized SQL and PL/SQL for query optimization and efficient data management, improving query response times.
- **CAFETERIA MANAGEMENT**
 - * **Role:** Backend Developer (Database)
 - * **Duration:** April 2022 - September 2022.
 - * **Technologies used:** MYSQL, PL/SQL.
 - Designed and managed the backend using SQL and PL/SQL for efficient data handling and management of cafeteria orders, products, and profiles.
 - Optimized complex queries to ensure fast retrieval and processing of data..
 - Integrated the backend database with the frontend, ensuring seamless communication and real-time data updates.

OTHER INFORMATION

- **Technical Skills:** SQL, PL/SQL, PostgreSQL, Java Programming .
- **Tools:** Git, GitHub, VS Code.
